After School Care**

We are happy to offer an After School Care program for our families. The After School Care programs provides a safe and controlled environment for your children while the staff puts closure to the day and begins to prepare for the following day.

Our 2010/11 “After School Care” program will be monitored by Mrs. Barb Labotka in the pre-school room. The program will begin at 3:15 P.M. (Wednesdays at 2:15) until 6:00 P.M. and will include a time for a nutritious snack, homework and outdoors, weather permitting.

The charge for one student will be \$8 per hour, families with 2 students will be charged \$10 per hour, and families with 3 students will be charged \$15 per hour. Students not picked up by 3:15 P.M. (2:30 P.M. on Wednesdays) will automatically be put in the After School Program and the parents will be billed a minimum of one hour.

For more information, call the school office.

I will be interested in the “After School Care” program.

Please put child’s name & grade and days you would need your children in the program.
