# PROGRAM DESCRIPTIONS

## 9:00 AM - 3:00 PM

### PROGRAM FEES INCLUDE LUNCH AND MATERIALS

### HOT LUNCH IS PROVIDED DAILY

#### Students Entering Kindergarten and 1st Grade

Become an explorer! Travel around “by hot air balloon” visiting countries around the world. Experience the different cultures: their languages, foods, writing, and clothing. Learn basic map skills through exciting treasure hunts and puzzles. Enjoy the ride while reinforcing basic math, reading, and writing skills that help prepare young learners for their next grade level.

#### Students Entering 2<sup>nd</sup> Grade – 3<sup>rd</sup> Grade

Grab your passport and get ready to travel to far away lands such as Poland, Korea, Chile, Nigeria, and Australia! Each day you will travel to a new place “by hot air balloon”. Immerse yourself in the culture by playing a game from that country, learning about the customs, and mapping out the geographic features. At the end of each day’s journey, you will scrapbook your adventures.

#### Students Entering 4<sup>th</sup> Grade- 6<sup>th</sup> Grade

Become a cartographer and create your world map as you travel. Learn how to fly your hot air balloon and take off from North America around the world though South American, Asia, Africa, Europe and Australia. Discover exotic cultures and lands, visiting a variety of countries in each continent. When you return, create an explorer’s notebook of your adventures.
