

Kingswood Volunteer Forms

Dear Parents,

In anticipation of your being very involved in your child(ren)'s school, we are attaching an application for volunteerism at Kingswood Academy. In the best interest of the safety of all of our students, we would like to request that our parent volunteers have background checks. This form can be filled out and returned to the office on registration day.

Volunteer forms are not necessary, of course, to fulfill the general role of a parent at the school: attending classroom presentations, school functions, parent-teacher conferences, etc. Also, attending Kingswood Fathers' Day and other roles that are infrequent and are under the supervision of Kingswood staff would not require a volunteer form and background check.

Volunteer forms will be necessary in the event that you'd like to drive on a field trip, to work consistently as a lunchroom mom, to assist students as a classroom volunteer, or be involved with the students in any capacity on a regular basis. As stated before, it is not mandatory for parents to fill out the form, but we hope that you do so in order to be available to volunteer at any time during the school year.

Please be assured that the background check will only look at the criminal information. All information from the forms and from the background check will be considered highly confidential and treated as such.

Sincerely,

Lisa Grundon
